EXPLANATORY NOTE

(This note is not part of the Order)

This Order declares the Europe Agreement establishing an Association between the European Communities and their Member States and the Republic of Hungary to be a Community Treaty as defined in section 1(2) of the European Communities Act 1972. The Agreement establishes the Association with the aims of providing an appropriate framework for political dialogue, establishing a free trade area between the Community and Hungary and making progress towards realizing between them the other economic freedoms on which the Community is based, working towards the approximation of laws, promoting economic, financial and cultural co-operation and supporting Hungary's efforts towards becoming a market economy. The principal effect of declaring this Agreement to be a Community Treaty as so defined is to bring into play, in relation to it, the provisions of section 2 of the European Communities Act 1972 which provides for the implementation of treaties so specified.
