EXPLANATORY NOTE

(This note is not part of the Order)

This Order makes minor changes to the boundary between the London boroughs of Haringey and Islington in the neighbourhood of Crouch Hill. The boundary is realigned to follow curtilages of properties and ascertainable features in the following locations—

- (a) the vicinity of Parkland Walk (affecting Hornsey Rise Gardens, Albert Mansions, Crouch Hill, Dickenson Road, Mount View Road and Video Court);
- (b) the part of Mount Pleasant Villas lying to the south of Parkland Walk; and
- (c) Mount Pleasant Crescent, Japan Crescent, Stapleton Hall Road, and the railway line running east from Crouch Hill Station. The map forming part of this Note (Page 3) gives a general guide to the areas affected and the changes made. In approximate terms, the land transferred from Haringey to Islington has an area of less than one hectare and a population of 2, and that transferred from Islington to Haringey is an unpopulated area of less than one hectare.

For full details of the transfers made, the order map (described in article 2) should be inspected. Any person may inspect it at any reasonable time at the offices of the council for each London borough affected, and also at the offices of the Secretary of State for the Environment located in 2, Marsham Street, London SW1P 3EB.

Consequential changes are made to local government electoral areas, petty sessional areas and coroners' districts. The Local Government Area Changes Regulations 1976 ([S. I.1976/246](#), amended by [S. I.1978/247](#)) contain general provisions regarding the effect of orders such as this one.
