CIVIL AVIATION

The Air Navigation (General) Regulations 1993

Made - - - - *29th June 1993*

Coming into force *19th July 1993*

THE AIR NAVIGATION (GENERAL) REGULATIONS 1993

1. These Regulations may be cited as the Air Navigation (General)...
2. The following Regulations are hereby revoked, that is to say—...
3. In these Regulations, unless the context otherwise requires:
4. Load Sheets
5. Weight and performance: general provisions
6. Weight and performance of public transport aeroplanes having no performance group classification in their certificates of airworthiness
7. Weight and performance of public transport aeroplanes classified as aeroplanes of performance group A or performance group B in their certificates of airworthiness
8. Weight and performance of public transport aeroplanes classified as aeroplanes of performance group C in their certificates of airworthiness.
9. Weight and performance of public transport aeroplanes classified as aeroplanes of performance group D in their certificates of airworthiness
10. Weight and performance of public transport aeroplanes classified as aeroplanes of performance group E in their certificates of airworthiness
11. Weight and performance of public transport aeroplanes classified as aeroplanes of performance group F in their certificates of airworthiness
12. Weight and performance of public transport aeroplanes classified as aeroplanes of performance group X in their certificates of airworthiness
13. Noise and vibration caused by aircraft on aerodromes
14. Certificates of maintenance review and of release to service—issue by maintenance engineers licensed by prescribed countries
15. Aeroplanes flying for the purpose of public transport of passengers— aerodrome facilities for approach to landing and landing
16. Pilots maintenance—prescribed repairs or replacements
17. Mandatory reporting—prescribed reportable occurrences, time and manner of reporting and information to be reported
18. Minimum navigation performance specifications—prescribed airspace and navigation performance capability

Status: This is the original version (as it was originally made). This item of legislation is currently only available in its original format.

19. Weight and performance of public transport helicopters classified as helicopters of performance group A in their certificate of airworthiness
 20. Weight and performance of public transport helicopters classified as helicopters of performance group A (Restricted) in their certificate of airworthiness
 21. Weight and performance of public transport helicopters classified as helicopters of performance group B in their certificate of airworthiness
