The Enforcement of Road Traffic Debts Order 1993

Enforcement of specified debts

7.—(1) The authority shall insert or indorse in or upon every warrant of execution issued by it the total amount to be levied, exclusive of the fees for its execution.

(2) If the respondent, after the seizure of the goods but before their sale, pays or causes to be paid or tendered to the authority or to the enforcement officer holding the warrant, the amount inserted in, or indorsed upon, the warrant under paragraph (1) above, or such part as the authority agrees to accept in full satisfaction, together with the amount stated by the officer to whom the payment or tender is made to be the amount of the fees for the execution of the warrant, the execution shall be superseded, and the goods shall be set at liberty.
