
STATUTORY INSTRUMENTS

1993 No. 302

The Mines (Shafts and Winding) Regulations 1993

Exemptions

20.—(1) Subject to paragraph (2) the Health and Safety Executive may, by a certificate in writing, exempt any mine, or part of a mine or class of mines from any requirement or prohibition imposed by these Regulations, and any such exemption may be granted subject to conditions and to a limit of time and may be revoked at any time by a certificate in writing.

(2) The Health and Safety Executive shall not grant any such exemptions, unless having regard to the circumstances of the case and in particular to—

- (a) the conditions if any which it proposes to attach to the exemption; and
- (b) any other requirements imposed by or under any enactment which apply to the case;

it is satisfied that the health and safety of persons who are likely to be affected by the exemption will not be prejudiced in consequence of it.
