## **EXPLANATORY NOTE**

*(This note is not part of the Order)*

This Order revokes the Food Protection (Emergency Prohibitions) (Oil and Chemical Pollution of Fish) (No.2) Order 1993 insofar as it applies to farmed salmon which smolted in 1993 and were introduced into waters in the designated area on or after 1st March 1993.

That Order contains emergency prohibitions restricting various activities in order to prevent human consumption of food rendered unsuitable for that purpose by virtue of fish having been affected by oil and other chemical pollutants. The prohibitions in that Order will remain in place for shellfish and for farmed salmon present in the designated area before 1st March 1993.
