PART IV

APPEAL PROCEDURE

Statement of evidence

- 29.**—(1) The committee may require a party, before such date as the committee may specify—
- (a) to provide any other party to the appeal with a written statement outlining the evidence which he proposes to lead at the hearing; or
 - (b) to furnish any other party to the appeal with a copy of all productions on which he proposes to found at the hearing.
- (2) Where the committee makes any requirement under paragraph (1), it shall not be competent, unless the committee so allows, for a party to lead evidence other than in accordance with the material previously provided by him.
