

SCHEDULE 3

Article 6(3)

CONSERVATION PLAN OPERATIONS

1. The planting, laying, gapping or coppicing of hedges.
2. The restoration of ponds, pools or lakes.
3. The management of scrub or small groups of trees.
4. The renovation of traditional farm buildings using traditional methods and materials.
5. The restoration of reedbeds including sedgebeds.
6. The provision of water supplies and fencing where necessary for the reintroduction of grazing.
7. The provision of fencing to protect wildlife interest in and around ditches.
8. Works to protect historic and archaeological features.
