This Order makes minor changes in the boundary between the county of Cheshire and the metropolitan county of Greater Manchester, affecting the Cheshire boroughs of Macclesfield and Warrington, and Greater Manchester metropolitan borough of Trafford. It also affects district boundaries within Greater Manchester by transferring areas between Trafford and the city of Manchester. Consequential changes to local government electoral areas, petty sessional divisions and coroners' districts are made.

The map and table forming part of this Note are a *general guide only* to the areas affected. The Table gives in approximate terms the total amount of land and the population affected by each set of transfers. The map[s] described in article 2 should be inspected for full details of the transfers. Any person may inspect the maps at any reasonable time at the offices of each borough or city whose area is affected, and additionally at the offices of the Secretary of State for the Environment located in 2, Marsham Street, London SW1P 3EB.
