
EXPLANATORY NOTE

(This note is not part of the Order)

This Order amends article 2(4) of the Combined Probation Areas Order 1992, which shortens the terms of appointment of certain members of the Middlesex, North East London, South East London and South West London Probation Committees, so as to make it clear that the appointments with which article 2(4) is concerned are those of persons who, as well as having been appointed in the circumstances described in that paragraph, are, immediately before 31st March 1993, members of one of the probation committees concerned.
