EXPLANATORY NOTE

(This note is not part of the Order)

The Secretary of State granted to Insight Communications Cardiff Limited on 13th October 1993 a licence under section 7 of the Telecommunications Act 1984 to run the telecommunication systems specified in Annex A to the licence in the Cardiff area.

A copy of the licence was laid before Parliament on 14th April 1994. This Order designates those telecommunication systems as public telecommunication systems. Consequently, by virtue of section 9(3) of that Act, Insight Communications Cardiff Limited will be a public telecommunications operator when the Order comes into force on 13th May 1994.

The licence replaces the licence granted to British Cable Services Limited on 19 December 1990, which has been revoked at the request of the licensee. The Public Telecommunication System Designation (British Cable Services Limited) (Cardiff) Order 1991 ([S. I.1991/172](#)) falls to be revoked as spent.

A copy of the licence may be obtained from the Office of Telecommunications, 50 Ludgate Hill, London, EC4M 7JJ.
