

SCHEDULE 9

POST-MORTEM HEALTH INSPECTION

PART I

GENERAL REQUIREMENTS

2. In the case of birds, the official veterinary surgeon shall in any event:
 - (a) subject to detailed inspection a random sample of the birds rejected in the post-mortem health inspection, the meat of which was declared unfit for human consumption in accordance with paragraph 1 of Part II of this Schedule;
 - (b) examine a random sample of the birds taken from the specified group which has undergone the post-mortem inspection, for an inspection of the viscera and the body cavities;
 - (c) carry out a detailed post-mortem inspection of the birds if there are other indications that the meat from those birds could be unfit for human consumption.
