

SCHEDULE 1

AMENDMENTS OF THE PRINCIPAL REGULATIONS COMING INTO FORCE ON 1ST JUNE 1994

PART II

AMENDMENTS OF SCHEDULE 1

3. In Part B of Section 2.1 (iron and steel), at the end of paragraph (d), there shall be added the following—

“; but a process does not fall within this paragraph if—

- (i) it is a process for heating iron, steel or any ferro-alloy in one or more furnaces or other appliances the primary combustion chambers of which have in aggregate a net rated thermal input of less than 0.2 megawatts;
- (ii) it does not involve the removal by heat of plastic or rubber covering from scrap cable or of any asbestos contaminant; and
- (iii) it is not related to any other process described in this Part of this Section.”.
