**1994 No. 1753**

**The River Humber (Upper Burcom Cooling Works) Order 1994**

**Interpretation**

2.—(1) In this Order, unless the context otherwise requires—

“the Applications Rules” means the Transport and Works (Applications and Objections Procedure) Rules 1992(1);

“the deposited plans” means the plans, of a kind described in rule 7(1)(a) and (3) of the Applications Rules, which were prepared in connection with the application for this Order;

“the sections” means the sections, of a kind described in rule 7(2) of the Applications Rules, which were prepared in connection with the application for this Order;

“the undertaker” means Humber Power Limited;

“the works” means the works specified in the Schedule to this Order as shown on the deposited plans and the sections and any works constructed in connection therewith and includes any modification to the alignment of those works from the lines or situations shown on the deposited plans within the limits of deviation and any deviation from the levels shown on the sections whether upwards or downwards.

(2) Where the sections or the deposited plans were revised before this Order was made, any reference to them in this Order is to the latest version submitted to the Secretary of State under the Applications Rules.
