**1994 No. 199**

**The Environmental Protection (Non-Refillable  
Refrigerant Containers) Regulations 1994**

**Prohibition of storage**

5.—(1) Subject to paragraph (2), no person shall, other than for the purposes of research and development or analysis, or for export, store a non-refillable refrigerant container.

(2) Paragraph (1) shall not apply to an authorised person who is exercising any of the powers prescribed in regulation 7 for the purpose of carrying these Regulations into effect.
