1994 No. 2087

HIGHWAYS, ENGLAND AND WALES

The County Council of Norfolk (Reconstruction of Three Holes Bridge) Scheme 1993 Confirmation Instrument 1994

Made - - - - *29th July 1994*

The Secretary of State for Transport makes this Instrument in exercise of powers conferred by section 106(3) of the Highways Act 1980 (a), and now vested in him (b), and of all other powers enabling him in that behalf:—

1. The County Council of Norfolk (Reconstruction of Three Holes Bridge) Scheme 1993 is hereby confirmed.
2. The said Scheme as confirmed (hereinafter referred to as “the Scheme”) is set out in the Schedule hereto and copies of the Scheme with its accompanying plan are deposited at the offices of the Chief Executive and Clerk, Norfolk County Council, County Hall, Martineau Lane, Norwich NR12DH.
3. The Scheme will become operative on the date on which notice that it has been confirmed is first published in accordance with paragraph 1 of Schedule 2 to the Highways Act 1980.
4. This Instrument may be cited as The County Council of Norfolk (Reconstruction of Three Holes Bridge) Scheme 1993 Confirmation Instrument 1994.

Signed by authority of the Secretary of State for Transport.

Government Office for the North East
29th July 1994

Pamela Denham
Regional Director

Status: This is the original version (as it was originally made). This item of legislation is currently only available in its original format.

THE SCHEDULE

THE COUNTY COUNCIL OF NORFOLK (RECONSTRUCTION OF THREE HOLES BRIDGE) SCHEME 1993

The County Council of Norfolk (hereinafter referred to as “the Council”) make this Scheme in exercise of their powers under Section 106(3) of the Highways Act 1980 and of all other enabling powers:–

1. The Council are authorised to construct over the navigable waters of the Middle Level Main Drain the bridge specified in the Schedule to the Scheme as part of the highway which they are proposing to construct at Upwell in the said County of Norfolk.
2. This Scheme may be cited as the County Council of Norfolk (Reconstruction of Three Holes Bridge) Scheme 1993.

Given under the Common Seal of the Council 28th June 1993.

THE SCHEDULE TO THE SCHEME

PLANS AND SPECIFICATIONS OF THREE HOLES BRIDGE

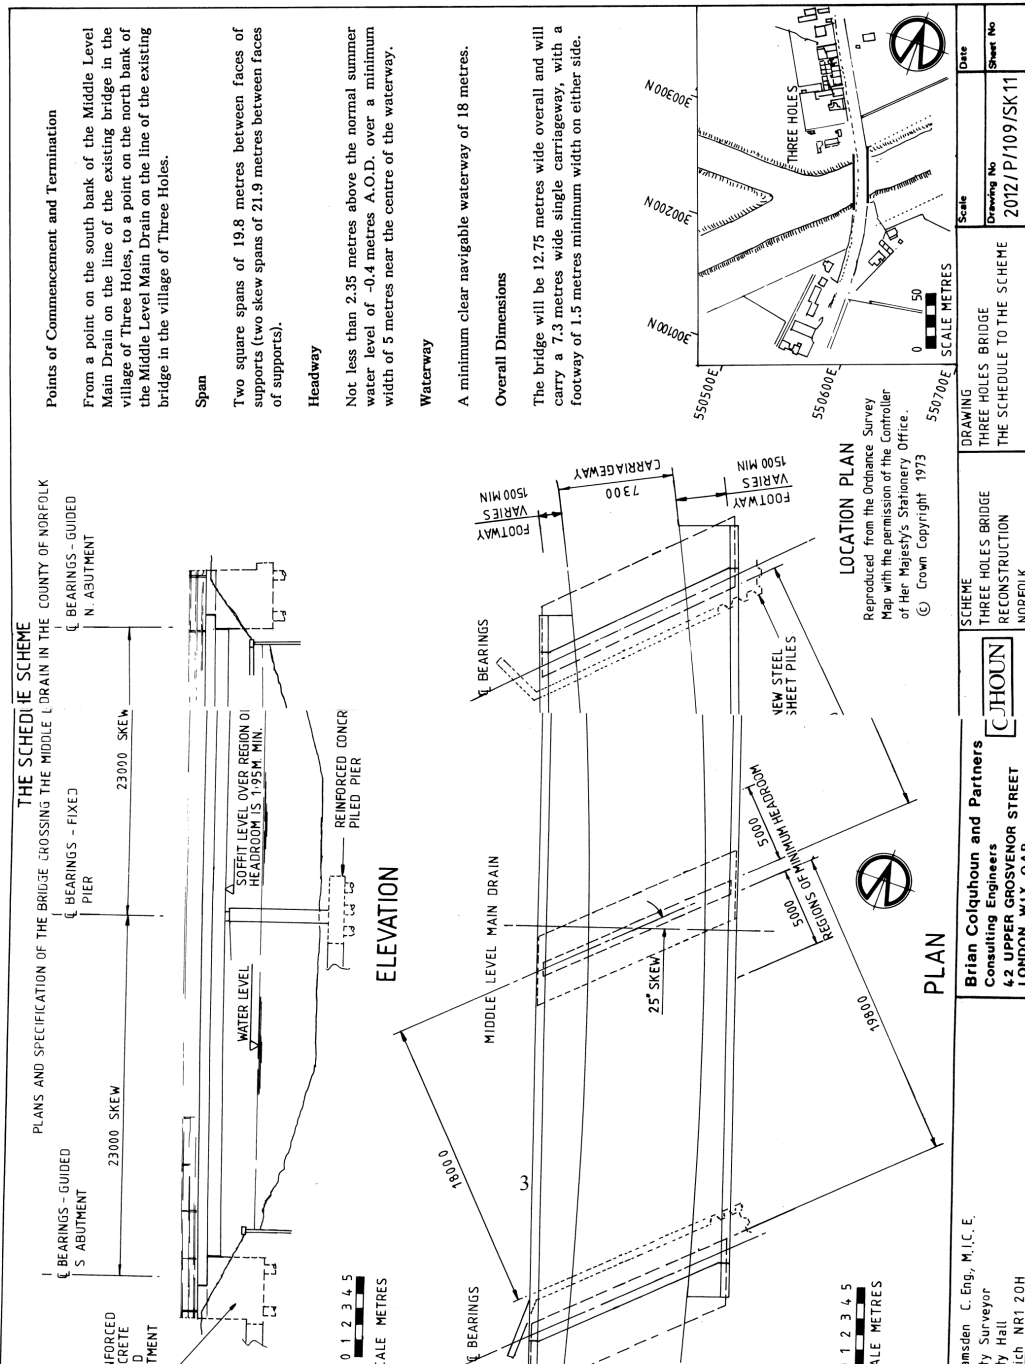

Plans and specifications of the Reconstruction of Three Holes Bridge are contained in drawing number 2012/P/109/SK11 annexed hereto.

Status: This is the original version (as it was originally made). This item of legislation is currently only available in its original format.

THE COMMON SEAL of the Norfolk County Council was hereunto affixed in the presence of:

C G Harding
Assistant Chief Executive & Corporate Solicitor

EXPLANATORY NOTE

Points of Commencement and Termination
From a point on the south bank of the Middle Level Main Drain on the line of the existing bridge in the village of Three Holes, to a point on the north bank of the Middle Level Main Drain on the line of the existing bridge in the village of Three Holes.

Span
Two square spans of 19.8 metres between faces of supports (two skew spans of 21.9 metres between faces of supports).

Headway
Not less than 2.35 metres above the normal summer water level of -0.4 metres A.O.D. over a minimum width of 5 metres near the centre of the waterway.

Waterway
A minimum clear navigable waterway of 18 metres.

Overall Dimensions
The bridge will be 12.75 metres wide overall and will carry a 7.3 metres wide single carriageway, with a footway of 1.5 metres minimum width on either side.

LOCATION PLAN
