The Textile Products (Indications of Fibre Content) (Amendment) Regulations 1994

2. The Textile Products (Indications of Fibre Content) Regulations 1986⁽¹⁾ are hereby amended—

(a) by the substitution for regulation 5(3) of the following:—

“In the case of any supply of, or any offer to supply, textile products other than one to which the requirements contained in paragraph (2) above apply, an indication of the fibre content of the textile products shall be given —

- (a) where there are accompanying commercial documents, by the inclusion of such an indication in those commercial documents; and
- (b) in all other cases, either by marking or labelling the products or, where the products are supplied or offered for supply in packing, by marking or labelling the packing.”; and

(b) by the deletion in paragraph 5(5) of Schedule 1 of the words “or “pure cotton warp—pure linen weft””.

⁽¹⁾ S.I.1986/26, as amended by S.I. 1988/1350.
