**The Measuring Equipment (Liquid
Fuel and Lubricants) Regulations 1995**

TESTING

Passing as fit for use for trade

- 19.**—(1) No measuring equipment shall be passed as fit for use for trade—
- (a) unless it complies with all the appropriate requirements of these Regulations;
 - (b) unless on testing it measures and delivers the test liquid with which it is tested to within the prescribed limits of error when it is operated at any reasonable speed, the speed of operation in respect of any individual delivery being as uniform as practicable; and
 - (c) if, notwithstanding that each error is within the prescribed limits of error set out in Table 1 or Table 2 as appropriate, having regard to the dynamic viscosity of the test liquid employed, in the Schedule to these Regulations, the errors on all the quantities of test liquid indicated by the equipment during the tests are all errors in excess or all errors in deficiency.
- (2) In the case of measuring equipment imported from another member State or an EEA State, it shall not be passed as fit for use for trade unless—
- (a) where the requisite documentation is presented in accordance with regulation 18 above, the test report recites and the test data confirm to the satisfaction of the inspector that on testing in the relevant State it fell within the prescribed limits of error; and
 - (b) it complies with all the relevant requirements of these Regulations.
- (3) No measuring equipment fitted with a price to pay indicating device in digital form shall be passed as fit for use for trade if it is capable of indicating during a measuring operation a part of a penny in the amount of the price to be paid by the buyer.
