## **EXPLANATORY NOTE**

*(This note is not part of the Regulations)*

Section 45 of the Local Government (Wales) Act 1994 provides for entitlement to compensation for certain employees of existing county or district councils with contracts made before 1st December 1993 which would have continued but for the abolition of their employers and which are not transferred to a new employer.

These Regulations exclude the application of section 45 in certain cases where such employees have been able to obtain a new contract by agreement.
