

**Status:** This is the original version (as it was originally made). This item of legislation is currently only available in its original format.

## SCHEDULE 6

### REQUIREMENTS FOR MILK-BASED PRODUCTS

#### PART V

##### PASTEURISED ICE-CREAM

**3.** In the case of a complete cold mix which is reconstituted with the addition of water only, it shall not be necessary for it to be subjected to further heat-treatment by pasteurisation as specified in paragraph 1 above.
