

## SCHEDULE 8

### TRANSPORT REQUIREMENTS

#### PART III

#### COMMERCIAL DOCUMENT

1. Heat-treated drinking milk and milk-based products shall be accompanied during transport by a commercial document bearing the following particulars:—

- (a) the details required on the health mark specified in paragraphs 4 and 5 of Part II of Schedule 10;
- (b) an indication of the nature of the heat-treatment used to produce the heat-treated drinking milk or milk-based product;
- (c) an indication of the initial heat-treatment in the case of heat-treated drinking milk referred to in paragraphs 6 and 7 of Part III of Schedule 4;
- (d) an indication enabling the identification of the food authority responsible for supervising the dairy establishment of origin if such information is not clear from the approval number.
