**1995 No. 1436**

**The Petroleum (Production)  
(Landward Areas) Regulations 1995**

**Applications for supplementary seismic survey licences**

**8.**—(1) An application for a supplementary seismic survey licence shall relate to a clearly defined area, no part of which is—

- (a) subject to a principal licence;
- (b) more than one kilometre from the boundary of the area to which a principal licence held by the applicant relates; or
- (c) below the low water line.

(2) Every such application shall be accompanied by two copies of a programme in accordance with which the applicant proposes to undertake seismic surveys in both the area to which the principal licence relates and the area to which the supplementary seismic survey licence is to relate.
