**1995 No. 1907**

The Non-automatic Weighing Instruments  
(EEC Requirements) Regulations 1995

PART II

APPROVAL AND CERTIFICATION OF NON-  
AUTOMATIC WEIGHING INSTRUMENTS

*Examination and Supervision*

**Conformity with other directives**

**19.**—(1) Subject to paragraph (2) below, where a CE marking is affixed to an instrument, the affixing of that marking shall indicate that the instrument conforms also with any other directive other than the Directive which provides for the affixing of the CE marking.

(2) Where, during a relevant transitional period specified in any such directive a manufacturer chooses not to apply provisions adopted pursuant to the directive in question, paragraph (1) above shall not apply if that fact and particulars of that directive as published in the Official Journal of the European Communities are stated in the documents, notices or instructions required to accompany the instrument.
