**1995 No. 201**

**The Public Supply Contracts Regulations 1995**

**PART VI**

**MISCELLANEOUS**

**Public service bodies**

**24.** Where a contracting authority, other than one which is a contracting authority only by reason of being a GATT contracting authority, grants to a person other than a contracting authority special or exclusive rights to carry on a service for the benefit of the public, it shall impose an express duty on that person not to discriminate in seeking offers in relation to, or in awarding, a contract for the purchase or hire of goods on the grounds of nationality against a person who is a national of and established in a relevant State or on the grounds that the goods to be supplied under the contract originate in another relevant State.
