**1995 No. 204**

**The Toys (Safety) Regulations 1995**

**Requirement to keep available and give information about toys which bear the CE marking**

**11.**—(1) Every manufacturer of toys established in the United Kingdom or, where the manufacturer is not established in the Community, the manufacturer's authorised representative established in the United Kingdom or, where the manufacturer is established outside the Community and he has no authorised representative established in the Community, the person who supplies a toy on the first occasion on which it is supplied in the Community provided that he is established in the United Kingdom shall keep the following information available for inspection by an enforcement authority or any of its officers in respect of toys supplied in the Community by such manufacturer, authorised representative or first supplier and bearing the CE marking denoting among other things conformity with the relevant national standards applicable to the toy where those standards relate to all the matters covered by the essential safety requirements applicable to the toy and shall give the information to an enforcement authority or any of its officers on his being required to give such information within a reasonable time—

- (a) a description of the means (such as the use of a test report or technical file) whereby the manufacturer ensures conformity of production with the relevant national standards;
- (b) the addresses of the places of manufacture and storage of the toys; and
- (c) detailed information concerning their design and manufacture.

(2) Every manufacturer of toys established in the United Kingdom or, where the manufacturer is not established in the Community, the manufacturer's authorised representative established in the United Kingdom or, where the manufacturer is established outside the Community and he has no authorised representative established in the Community, the person who supplies a toy on the first occasion on which it is supplied in the Community provided that he is established in the United Kingdom shall keep the following information available for inspection by an enforcement authority or any of its officers in respect of toys supplied in the Community by such manufacturer, authorised representative or first supplier which are not manufactured, or which are manufactured only partly, in accordance with the relevant national standards applicable to that toy or for which no such standards exist or where the relevant national standards relate only to some of the matters covered by the essential safety requirements applicable to the toy and which bear the CE marking denoting conformity among other things of the toy with the approved model and shall give the information to an enforcement authority or any of its officers on his being required to give such information within a reasonable time—

- (a) a detailed description of manufacturer;
- (b) a description of the means (such as the use of a test report or technical file) whereby the manufacturer ensures conformity with the approved model;
- (c) the addresses of the places of manufacture and storage of the toys;
- (d) copies of the documents which the manufacturer or his authorised representative has submitted to an approved body on an application for an EC type-examination certificate; and
- (e) the EC type-examination certificate or a copy of such a certificate, certified by the approved body which issued it as a true copy.
