

## SCHEDULE 4

### ANNEX IV OF THE TOYS DIRECTIVE WARNINGS AND INDICATIONS OF PRECAUTIONS TO BE TAKEN WHEN USING TOYS (Article 11(5))

#### **Toys containing inherently dangerous substances or preparations. Chemical toys**

- (a) (a) Without prejudice to the application of the provisions laid down in Community directives on the classification, packaging and labelling of dangerous substances or preparations, the instructions for use of toys containing inherently dangerous substances or preparations shall bear a warning of the dangerous nature of these substances or preparations and an indication of the precautions to be taken by the user in order to avoid hazards associated with them, which shall be specified concisely according to the type of toy. The first aid to be given in the event of serious accidents resulting from the use of this type of toy shall also be mentioned. It shall also be stated that the toys must be kept out of reach of very young children.
- (b) In addition to the instructions provided for in (a), chemical toys shall bear the following marking—

“Warning: for children over(1) years of age only. For use under adult supervision”.

In particular, the following are regarded as chemical toys: chemistry sets, plastic embedding sets, miniature workshops for ceramics, enamelling or photography and similar toys.
