**The Animals and Animal Products
(Import and Export) Regulations 1995**

PART V

GENERAL

Outbreaks of disease in other states

27.—(1) This regulation shall apply where the Minister learns of or has reasonable grounds to suspect, either under the procedures set out in Article 10 of Council Directive [90/425/EEC](#) or Article 18 of Council Directive [91/496/EEC](#), or through any other means, the presence in any other state of a disease referred to in Schedule 4, a zoonosis or any other disease or phenomenon liable to present a serious threat to public or animal health.

(2) In the circumstances described in paragraph (1) above, the Minister may, for the purpose of preventing the introduction or spreading of disease into or within Great Britain, by a declaration to be published in such manner as he thinks fit, give notice of the existence in another state of any disease or zoonosis or other cause likely to constitute a serious hazard, the area subject to the outbreak, and the types of animal or animal product affected.

(3) Upon such declaration being made, the entry into Great Britain of any animal or animal product which is the subject of the declaration shall be in breach of the conditions of import in these Regulations unless it satisfies such conditions as may be specified in the declaration.

(4) A declaration made under this regulation may specify conditions under which the animal or animal product which is the subject of the declaration may be imported.

Notification of decisions

28. If the consignor or his representative, or the importer or his representative, so requests, any decision taken refusing entry or varying the conditions of entry shall be forwarded to him in writing by the person taking the decision, giving the reasons for the decision and the details of his right of appeal against the decision, including the relevant time limits.

Powers of inspectors

29.—(1) Subject to regulation 10 above, an inspector shall, on producing, if required to do so, some duly authenticated document showing his authority, have the right at all reasonable hours to enter any land or premises for the purposes of ascertaining whether there is or has been on the premises any contravention of these Regulations; and in this regulation “premises” includes any place, installation, vehicle, ship, vessel, boat, craft, hovercraft or aircraft.

(2) An inspector shall have powers to carry out all checks and examinations necessary for the enforcement of Council Directive [90/425/EEC](#) and Council Directive [91/496/EEC](#), and in particular may—

(2) Nothing in paragraph (1)(b) above shall be construed as requiring any person to answer any question or give any information if to do so might incriminate him.
