**1995 No. 2478**

**The Bovine Embryo (Collection,  
Production and Transfer) Regulations 1995**

**Interpretation**

2.—(1) In these Regulations, unless the context otherwise requires—

“approved” means approved by the appropriate Minister for the purposes of these Regulations;

“collect” means remove from a donor cow;

“cow” includes heifer;

“the International Embryo Transfer Society” means the Society of that name founded in Denver, Colorado, United States of America in 1974, incorporated in the State of Nebraska on 7 April 1975 and currently having its headquarters at 309 West Clark Street, Champaign, Illinois 61820, United States of America;

“intra-Area trade” means trade between the United Kingdom and another state of the European Economic Area;

“team veterinarian” means a veterinary surgeon who is responsible for a bovine embryo collection team, a bovine embryo production team or a bovine embryo transfer team;

“transfer” means transfer to a recipient cow;

“veterinary surgeon” means a veterinary surgeon (or veterinary practitioner) registered under the Veterinary Surgeons Act 1966<sup>(1)</sup>.

(2) Subject to paragraph (1) above, any expressions used in these Regulations have the meaning they bear in Council Directive [89/556/EEC](#);

(3) A reference in these Regulations to a directive is to that directive as amended at the date of coming into force of these Regulations.

(4) Unless the context otherwise requires, any reference in these Regulations to a numbered regulation is to a regulation so numbered in these Regulations, and any reference to a Schedule is a reference to a Schedule to these Regulations.
