Your taxable turnover and date of registration

We need the following information to determine whether you need to be registered, or whether you are entitled to be registered. The total value of your taxable supplies (see 'Start of business' above) is called your taxable turnover. The question of whether you need to be registered for VAT will depend upon the level of your taxable turnover in any past period of 12 months or less, or on the anticipated level of your taxable turnover in any period then beginning of 30 days alone.

18 Have your taxable supplies, in the past 12 months or less, gone over the registration limit and/or has there been a point in the past when taxable supplies in the previous 12 months or less exceeded the registration limit? (Please tick) Yes No

If **yes**, please give the date they exceeded. (The current limits are in Notice 700/1: **Should I be registered for VAT?**)

My taxable supplies exceeded the threshold on

You will be registered from the first day of the second month following, eg. If your taxable supplies exceeded the threshold in June you will be registered from 1st August.

19 Do you expect the taxable supplies you will make in the next 30 days alone will exceed the registration limit and/or has there been a date in the past when there were grounds for believing that your taxable supplies would exceed the registration limit in the next 30 days alone? (Please tick) Yes No (If no proceed to question 22)

My expectation arose on

You will be registered from the date the expectation arose.

20 Do you wish to be registered from a date earlier than the date on which you are obliged to be registered? (Please tick) Yes No (If no proceed to question 23)
