Before you start

Monthly Sales Lists

If you supply goods and services and are required to file your EC Sales List for goods monthly:

- you may report goods only in months 1 and 2 and report goods for the month and services for the whole quarter in month 3, or
- · you can report goods and services each month.

Simplified annual EC Sales List (ESL) for supplies of goods

If HM Revenue & Customs has given you approval to submit a simplified annual ESL because you have low levels of supplies of goods to other EC countries, you are not required to enter the actual value of supplies.

Instead, enter a nominal total value of £1. Then follow the rest of the guidance about the VAT Registration Number and the indicator box.

How to fill in this form

- · Write inside the boxes. Use black ink and capital letters.
- If you make a mistake, please cross it out and write the correct information below it.
- Leave blank any boxes that don't apply to you please don't strike through them. Do not write 'none'.
- . Only include your sales for the period(s) shown on page 1.
- Enter each type of sale on a separate line.

Country code

Enter your customer's country code. This is made up of two letters. It can only be one of the codes shown below.

Austria	AT	Germany	DE	Netherlands	NI.
Belgium	BE	Greece	EL	Poland	PL
Bulgaria	BG	Hungary	HU	Portugal	PT
Cyprus	CY	Ireland	IE	Romania	RC
Czech Republic	CZ	Italy	IT	Slovak Republic	SK
Denmark	DK	Latvia	LV	Slovenia	SI
Estonia	EE	Lithuania	LT	Spain	ES
Finland	FI	Luxembourg	LU	Sweden	SE
France	FR	Malta	MT		

Customer's VAT Registration Number

Enter your customer's VAT Registration Number starting from the left hand side.

Please do not include the country code in this column, or any spaces, dashes or commas. If you need to, refer to Notice 725 The Single Market to check how VAT numbers for each of the EC countries are formatted.

One of the conditions for zero-rating supplies of goods and services to other EC countries is that you must provide a valid VAT Registration Number for each of your customers.

You can check that a number is valid on the Europa website. Go to www.ec.europa.eu/taxation_customs/vies

Total value of supplies and the indicator box

In all cases, enter the total, rounded down to the nearest pound sterling. Enter each amount starting from the right hand side. We have already added the 'zero' pence and decimal point for you. Please do not add commas.

If you have a minus figure to enter because the value of credit notes is greater than the total value of supplies, enter a minus sign in a white box **before** each value.

Please note that you may need up to three lines for each customer. This is because the total value of each type of sale needs to be entered. For example, if you have supplied goods direct and as a triangulated sale and have supplied a service, you must complete three lines for that customer. Further guidance is given below.

 If you supplied goods, enter the value (including related costs) of all the goods supplied to that customer (deducting credit notes where appropriate). Leave the indicator column blank.

Related costs includes services which form part of the goods, such as freight and insurance charges.

- If you were an intermediate supplier in a triangulated sale, enter the total value of the supplies to each customer on a separate line from any other supplies made to that customer.
 Enter 2 in the indicator column.
- If you supplied services which were subject to the reverse charge in the customer's member state, enter the total value of these supplies on a separate line. Enter 3 in the indicator column.

Other forms you may need

If you need more space please do not add lines to this form. Please use the form VAT101A Continuation sheet.

If you need to correct any data supplied in a previous period or supply previously omitted data, please do so on form VAT101B Correction to EC Sales List.

To obtain any of these forms, please go to www.hmrc.gov.uk select Find a Form and enter the form number (for example, VATIOIA or VATIOIB). Or phone the Helpline on 0845 010 9000 and ask for copies.
