

EXPLANATORY NOTE

(This note is not part of the Order)

This Order amends the Town and Country Planning (Use Classes) Order 1987 (the principal Order). The principal Order specifies classes for the purposes of section 55(2)(f) of the Town and Country Planning Act 1990, which provides that a change of use of a building or other land does not involve development for the purposes of the Act if the new use and the former use are both within the same specified class.

This Order amends the principal Order by omitting classes B4 to B7 (special industrial groups B, C, D and E). Industrial processes previously within classes B4 to B7 will fall within class B2 (general industrial).
