1995 No. 300

The National Health Service Pension Scheme Regulations 1995

PART E

Benefits for members

Early retirement pension (ill-health)

E2.—(1) A member who retires from pensionable employment because of physical or mental infirmity that makes him permanently incapable of efficiently discharging the duties of that employment shall be entitled to a pension under this regulation if he has at least 2 years' qualifying service or qualifies for a pension under regulation E1 (normal retirement pension).

(2) Subject to paragraph (3), the pension under this regulation will be calculated as described in regulation E1.

(3) If the member retires from pensionable employment before reaching age 65 and satisfies the requirements of any of paragraphs (4) to (6), the pensionable service upon which the pension is based will, subject to regulation Q1(4) (cases in which additional service is not to count as pensionable service), be increased as described in whichever of those paragraphs is applicable or, if both of paragraphs (5) and (6) apply, as described in whichever of those paragraphs is more favourable to the member.

(4) If the member has at least 5 years' qualifying service but not more than 10 years' pensionable service, the pension will be based on the shorter of—

- (a) twice the member's pensionable service; and
- (b) the pensionable service the member could have completed if he had stayed in pensionable employment until age 65.

(5) If the member has more than 10 but not more than 20 years' pensionable service, the pension will be based on the shorter of—

- (a) the pensionable service the member could have completed if he had stayed in pensionable employment until age 65; and
- (b) 20 years' pensionable service.

(6) If the member has more than 10 years' pensionable service and has not reached age 60, the pension will be based on the shortest of—

- (a) the member's actual pensionable service increased by a period of 6 years and 243 days;
- (b) the pensionable service the member could have completed if he had stayed in pensionable employment until age 60; and
- (c) 40 years' pensionable service.

(7) Subject to paragraph (8), where a member becomes entitled to a pension under paragraph (1), the Secretary of State may discharge her liability for that pension by the payment of a lump sum.

Changes to legislation: *There are outstanding changes not yet made by the legislation.gov.uk editorial team to The National Health Service Pension Scheme Regulations 1995. Any changes that have already been made by the team appear in the content and are referenced with annotations. (See end of Document for details) View outstanding changes*

(8) A lump sum payment under paragraph (7) may be made only if the Secretary of State is satisfied that it is appropriate in all the circumstances having regard to the life expectancy of the member.

(9) For the purpose of paragraph (8), the Secretary of State may require whatever medical evidence that she considers necessary.

(10) The amount of the lump sum payable under paragraph (7) will be equal to 5 times the difference between the yearly rate of the member's incapacity pension (calculated in accordance with this regulation) and the yearly rate of the member's guaranteed minimum pension or, if lower, twice the member's final year's pensionable pay (less the member's lump sum on retirement payable under regulation E6) and shall be payable in addition to the lump sum on retirement payable under regulation E6, which shall not be subject to any reduction under regulation E6(3).

(11) The employment of a member to whom a pension is payable under this regulation may be pensionable under the scheme providing that the member is under the age of 50 at the date on which he returns to pensionable employment.

Changes to legislation:

There are outstanding changes not yet made by the legislation.gov.uk editorial team to The National Health Service Pension Scheme Regulations 1995. Any changes that have already been made by the team appear in the content and are referenced with annotations.
