EXPLANATORY NOTE

(This note is not part of the Order)

Registration areas are the organisational units for the rent officer service and rent assessment committees. Section 62 of the Rent Act 1977 provides that registration areas for the purposes of Part IV (Registration of Rent Under Regulated Tenancies) of that Act outside London are counties. Article 2 of this Order redefines the registration areas named in that article, as a consequence of the abolition of the counties in Avon, Cleveland, Humberside and the reorganisation of North Yorkshire under the provisions of the Local Government Act 1992, and includes the county of York within the registration area of North Yorkshire.
