EXPLANATORY NOTE

(This note is not part of the Regulations)

These Regulations further amend the National Health Service (Optical Charges and Payments) Regulations 1989, which provide for payments to be made by means of a voucher system in respect of costs incurred by certain categories of persons in connection with the supply, replacement and repair of optical appliances.

Regulation 2 further amends the definition of “NHS sight test fee” in regulation 1(2) of the 1989 Regulations by increasing by approximately 3% the amount by which entitlement to assistance towards the cost of a private sight test carried out at a place where the patient normally resides, and the value of a voucher towards such cost or towards the supply (in certain circumstances) of glasses or contact lenses, is calculated.
