**1995 No. 365**

**The National Health Service Superannuation  
Scheme (Scotland) Regulations 1995**

**PART N**

**TRANSFERS-IN FROM OTHER PENSION ARRANGEMENTS**

**Transfers that are not made under the Public Sector Transfer Arrangements**

**N3.**—(1) Except where regulation N2 (transfers made under the Public Sector Transfer Arrangements) applies, the additional period of pensionable service to be credited to the member in respect of the transfer payment will be calculated in a manner that is consistent with the actuarial methods and assumptions used by the Secretary of State to calculate cash equivalents under regulation M3 (amount of member's cash equivalent), in the case of transfers that are not made under Public Sector Transfer Arrangements.

(2) When calculating the additional period of pensionable service under paragraph (1), due allowance shall be made for the expected increase in the pensionable pay of all members of the same age as the member in respect of whom the transfer payment is being accepted between the date on which that member joins the scheme (or the date on which the transfer payment is accepted, if this is more than 12 months later) and the date on which the member will reach age 60.
