**1995 No. 365**

**The National Health Service Superannuation  
Scheme (Scotland) Regulations 1995**

**PART R**

**SPECIAL PROVISIONS FOR CERTAIN MEMBERS**

**Members who work temporary additional sessions**

**R10.**—(1) This regulation applies to members who work temporary additional sessions.

(2) Any period of employment in respect of a temporary additional session will be ignored when calculating a member's pensionable service, and any payment received in respect of that employment will be ignored when calculating the member's pensionable pay.

(3) In this regulation, "temporary additional session" means a session equivalent to an extra notional half-day which a consultant, senior hospital medical officer or senior hospital dental officer or an officer appointed to a post in the grade of associate specialist has, in exceptional circumstances, undertaken to work and which does not form part of the member's normal contractual duties.

(4) In the case of a member who holds a whole-time consultant post and who receives at least 10/11ths of the pensionable pay that he would have received for whole-time pensionable employment, "temporary additional session" also includes any session in excess of 10 in any one week, regardless of its length.
