(This note is not part of the Order)

This Order makes provision for the valuation for financial years 1995-96 to 1999-2000 of certain lands and heritages occupied by Scottish Power plc and Scottish Hydro-Electric plc and used for the purposes of the transmission of electricity (“the prescribed class of lands and heritages”) (article 3).

The Order prescribes the aggregate amount of the rateable values of the prescribed class of lands and heritages for financial year 1995-96 at £28,707,459 and prescribes how the aggregate amount should be arrived at for each of the four following financial years (article 5). It also apportions the aggregate amounts between the two companies (article 6) and among local authorities (article 7 and Schedules 1 and 2).

The Order provides that the non-domestic water rate shall not be leviable in respect of the prescribed class of lands and heritages for financial year 1995-96 (article 4).

The Order also amends certain enactments relating to the valuation of the prescribed class of lands and heritages (articles 8 to 10).
