

SCHEDULE 6

BLEEDING OR PITHING OF ANIMALS

4.—(1) Where one person is responsible for the stunning and pithing, or for the stunning, shackling, hoisting and bleeding, of animals other than birds or rabbits, or for some of those operations, such operations must be carried out by him consecutively in respect of one animal before being so carried out by him in respect of another animal.

(2) Where one person is responsible for the stunning and bleeding of birds or rabbits, those operations must be carried out by him consecutively in respect of one bird or rabbit before being so carried out by him in respect of another bird or rabbit.
