Occupational Pension Schemes
(Contracting-out) Regulations 1996

PART III

SALARY-RELATED CONTRACTED-OUT SCHEMES

Modification applying to public service pension schemes.

27. In the case of schemes which are public service pension schemes, section 9(2B) of the 1993 Act (requirements for salary-related contracted out schemes in relation to service on or after the principal appointed day) is modified by omitting paragraph (b) (a requirement that the restrictions on employer-related investments apply to the scheme and the scheme complies with those restrictions).

Changes to legislation:

There are currently no known outstanding effects for the Occupational Pension Schemes (Contracting-out) Regulations 1996, Section 27.
