

**Status:** This is the original version (as it was originally made). This item of legislation is currently only available in its original format.

#### SCHEDULE 4

### METHOD OF DISPATCH AND RESTRICTIONS ON FORWARDING OF CERTAIN DANGEROUS GOODS

#### **Organic peroxides**

9. For the following goods—

---

UN 3111	ORGANIC PEROXIDE TYPE B, LIQUID, TEMPERATURE CONTROLLED*
UN 3112	ORGANIC PEROXIDE TYPE B, SOLID, TEMPERATURE CONTROLLED*

---

the methods of temperature control specified below shall be used—

- (a) where the maximum ambient temperature to be expected during carriage does not exceed the control temperature by more than 10°C, one of the methods specified in paragraph 8(5)(c), (d) or (e);
- (b) in all other cases, one of the methods specified in paragraph 8(5)(d) or (e).
