They must pass the test for insolubility which will be determined by the procedure laid down in Article 8 of the Directive.

Colouring agents whose number is preceded by the letter 'E' in accordance with the EEC Directive of 23 October 1962 on the approximation of the rules of member States concerning foodstuffs and colouring matter(1), as amended(2), adapted(3) and replaced in part(4) must fulfil the purity requirements laid down in those Directives.
