⁽⁹⁾ The term "the relevant period" is defined in section 3 of the 1997 Act.

Application for a certificate of recoverable benefits

7.—(1) The following particulars are prescribed for the purposes of section 21(3)(a) (particulars to be included in an application for a certificate of recoverable benefits):

- (a) the full name and address of the injured person;
- (b) the date of birth and, where known, the national insurance number of that person;

(2) An application for a certificate of recoverable benefits is to be treated for the purposes of the 1997 Act as received by the Secretary of State on the day on which it is received by the Compensation Recovery Unit, or if the application is received after normal business hours, or on a day which is not a normal business day at that office, on the next such day.

Payments into court

8.—(1) Subject to the provisions of this regulation, where a party to an action makes a payment into court which, had it been paid directly to another party to the action (“the relevant party”), would have constituted a compensation payment—

- (a) the making of that payment shall be treated for the purposes of the 1997 Act as the making of a compensation payment;
- (b) a current certificate of recoverable benefits shall be lodged with the payment; and
- (c) where the payment is calculated under section 8, the compensator must give the relevant party the information specified in section 9(1), instead of the person to whom the payment is made.

(2) The liability under section 6(1) to pay an amount equal to the total amount of the recoverable benefits shall not arise until the person making the payment into court has been notified that the whole or any part of the payment into court has been paid out of court to or for the relevant party.

(3) Where a payment into court in satisfaction of his claim is accepted by the relevant party in the initial period, then as respects the compensator in question, the relevant period shall be taken to have ended, if it has not done so already, on the day on which the payment into court (or if there were two or more such payments, the last of them) was made.

(4) Where, after the expiry of the initial period, the payment into court is accepted in satisfaction of the relevant party’s claim by consent between the parties, the relevant period shall end, if it has not done so already, on the date on which application to the court for the payment is made.

(5) Where, after the expiry of the initial period, payment out of court is made wholly or partly to or for the relevant party in accordance with an order of the court and in satisfaction of his claim, the relevant period shall end, if it has not done so already, on the date of that order.

(6) In paragraphs (3), (4) and (5), “the initial period” means the period of 21 days after the receipt by the relevant party to the action of notice of the payment into court having been made.

(7) Where a payment into court is paid out wholly to or for the party who made the payment (otherwise than to or for the relevant party to the action) the making of the payment into court shall cease to be regarded as the making of a compensation payment.

(8) A current certificate of recoverable benefits in paragraph (1) means one that is in force as described in section 4(4).

Reduction of compensation: complex cases

9.—(1) This regulation applies where—

- (a) a compensation payment in the form of a lump sum (an “earlier payment”) has been made to or in respect of the injured person; and
- (b) subsequently another such payment (a “later payment”) is made to or in respect of the same injured person in consequence of the same accident, injury or disease.

(2) In determining the liability under section 6(1) arising in connection with the making of the later payment, the amount referred to in that subsection shall be reduced by any amount paid in satisfaction of that liability as it arose in connection with the earlier payment.

(3) Where—

- (a) a payment made in satisfaction of the liability under section 6(1) arising in connection with an earlier payment is not reflected in the certificate of recoverable benefits in force at the time of a later payment, and
- (b) in consequence, the aggregate of payments made in satisfaction of the liability exceeds what it would have been had that payment been so reflected,

the Secretary of State shall pay the compensator who made the later payment an amount equal to the excess.

(4) Where—

- (a) a compensator receives a payment under paragraph (3), and
- (b) the amount of the compensation payment made by him was calculated under section 8,

then the compensation payment shall be recalculated under section 8, and the compensator shall pay the amount of the increase (if any) to the person to whom the compensation payment was made.

(5) Where both the earlier payment and the later payment are made by the same compensator, he may—

- (a) aggregate the gross amounts of the payments made by him;
- (b) calculate what would have been the reduction made under section 8(3) if that aggregate amount had been paid at the date of the last payment on the basis that—
 - (i) so much of the aggregate amount as is attributable to a head of compensation listed in column (1) of Schedule 2 shall be taken to be the part of the gross amount which is attributable to that head, and
 - (ii) the amount of any recoverable benefits shown against any head in column (2) of that Schedule shall be taken to be the amount determined in accordance with the most recent certificate of recoverable benefits;
- (c) deduct from that reduction calculated under sub-paragraph (b) the amount of the reduction under section 8(3) from any earlier payment; and
- (d) deduct from the latest gross payment the net reduction calculated under sub-paragraph (c) (and accordingly the latest payment may be nil).

(6) Where the Secretary of State is making a refund under paragraph (3), he shall send to the compensator (with the refund) and to the person to whom the compensation payment was made a statement showing—

- (a) the total amount that has already been paid by that compensator to the Secretary of State;
- (b) the amount that ought to have been paid by that compensator; and
- (c) the amount to be repaid to that compensator by the Secretary of State.

(7) Where the reduction of a compensation payment is recalculated by virtue of paragraph (4) or (5) the compensator shall give notice of the calculation to the injured person.

Structured settlements

- 10.**—(1) This regulation applies where—
- (a) in final settlement of an injured person’s claim, an agreement is entered into—
 - (i) for the making of periodical payments (whether of an income or capital nature); or
 - (ii) for the making of such payments and lump sum payments; and
 - (b) apart from the provisions of this regulation, those payments would fall to be treated for the purposes of the 1997 Act as compensation payments.
- (2) Where this regulation applies, the provisions of the 1997 Act and these Regulations shall be modified in the following way—
- (a) the compensator in question shall be taken to have made on that day a single compensation payment;
 - (b) the relevant period in the case of the compensator in question shall be taken to end (if it has not done so already) on the day of settlement;
 - (c) payments under the agreement referred to in paragraph (1)(a) shall be taken not to be compensation payments;
 - (d) paragraphs (5) and (7) of regulation 11 shall not apply.
- (3) Where any further payment falls to be made to or in respect of the injured person otherwise than under the agreement in question, paragraph (2) shall be disregarded for the purpose of determining the end of the relevant period in relation to that further payment.
- (4) In any case where—
- (a) the person making the periodical payments (“the secondary party”) does so in pursuance of arrangements entered into with another (“the primary party”) (as in a case where the primary party purchases an annuity for the injured person from the secondary party), and
 - (b) apart from those arrangements, the primary party would have been regarded as the compensator,
- then for the purposes of the 1997 Act, the primary party shall be regarded as the compensator and the secondary party shall not be so regarded.
- (5) In this regulation “the day of settlement” means—
- (a) if the agreement referred to in paragraph (1)(a) is approved by a court, the day on which that approval is given; and
 - (b) in any other case, the day on which the agreement is entered into.

Adjustments

- 11.**—(1) Where the conditions specified in subsection (1) and paragraphs (a) and (b) of subsection (2) of section 14 are satisfied, the Secretary of State shall pay the difference between the amount that has been paid and the amount that ought to have been paid to the compensator.
- (2) Where the conditions specified in subsection (1) and paragraphs (a) and (b) of subsection (3) of section 14 are satisfied, the compensator shall pay the difference between the total amounts paid and the amount that ought to have been paid to the Secretary of State.
- (3) Where the Secretary of State is making a refund under paragraph (1), or demanding payment of a further amount under paragraph (2), he shall send to the compensator (with the refund or demand) and to the person to whom the compensation payment was made a statement showing—
- (a) the total amount that has already been paid to the Secretary of State;
 - (b) the amount that ought to have been paid; and

- (c) the difference, and whether a repayment by the Secretary of State or a further payment to him is required.
- (4) This paragraph applies where—
 - (a) the amount of the compensation payment made by the compensator was calculated under section 8; and
 - (b) the Secretary of State has made a payment under paragraph (1).
- (5) Where paragraph (4) applies, the amount of the compensation payment shall be recalculated under section 8 to take account of the fresh certificate of recoverable benefits and the compensator shall pay the amount of the increase (if any) to the person to whom the compensation payment was made.
- (6) This paragraph applies where—
 - (a) the amount of the compensation payment made by the compensator was calculated under section 8;
 - (b) the compensator has made a payment under paragraph (2); and
 - (c) the fresh certificate of recoverable benefits issued after the review or appeal was required as a result of the injured person or other person to whom the compensation payment was made supplying to the compensator information knowing it to be incorrect or insufficient with the intent of enhancing the compensation payment calculated under section 8, and the compensator supplying that information to the Secretary of State without knowing it to be incorrect or insufficient.
- (7) Where paragraph (6) applies, the compensator may recalculate the compensation payment under section 8 to take account of the fresh certificate of recoverable benefits and may require the repayment to him by the person to whom he made the compensation payment of the difference (if any) between the payment made and the payment as so recalculated.

Transitional provisions

12.—(1) In relation to a compensation payment to which by virtue of section 2 the 1997 Act applies and subject to paragraph (2), a certificate of total benefit issued under Part IV of the 1992 Act shall be treated on or after the commencement date as a certificate of recoverable benefits issued under the 1997 Act and the amount of total benefit treated as that of recoverable benefits.

(2) Paragraph (1) shall not apply to a certificate of total benefit which specifies an amount in respect of disability living allowance without specifying whether that amount was, or is likely to be, paid wholly by way of the care component or the mobility component or (if not wholly one of them) specifying the relevant amount for each component.

(3) Any appeal under section 98 of the 1992 Act made on or after the commencement date shall be referred to and determined by a medical appeal tribunal notwithstanding that it would otherwise have been referred by the Secretary of State to a social security appeal tribunal.

- (4) Paragraph (5) applies where—
 - (a) an amount has been paid to the Secretary of State under section 82(1)(b) of the 1992 Act,
 - (b) liability arises on or after the commencement day to make a payment under section 6(1), and
 - (c) the compensation payments which give rise to the liability to make both payments are to or in respect of the same injured person in consequence of the same accident, injury or disease.
- (5) Where this paragraph applies, the liability under section 6 shall be reduced by the payment (or aggregate of the payments, if more than one) described in paragraph (4)(a).

(6) Where—

(a) a payment into court has been made on a date prior to the commencement day but the initial period, as defined in section 93(6) of the 1992 Act, in relation to that payment, expires on or after the commencement day; and

(b) the payment into court is accepted by the other party to the action in the initial period, that payment into court shall be treated as a compensation payment to which the 1992 Act, and not the 1997 Act, applies.

(7) Where a payment into court has been made prior to the commencement day, remains in court on that day and paragraph (6) does not apply, that payment into court shall be treated as a payment to which the 1997 Act applies, but paragraph (1) (b) and (c) of regulation 8 shall not apply.

Signed by authority of the Secretary of State for Social Security.

EXPLANATORY NOTE

(This note is not part of the Regulations)

The Social Security (Recovery of Benefits) Act 1997 provides for a reformed scheme for the Secretary of State to recover amounts equal to certain social security benefits from persons making compensation payments to or in respect of persons who have suffered an accident, injury or disease.

These Regulations make provision in connection with that scheme as follows:

- (a) specified payments are exempted from being compensation payments under the Act (regulation 2);
- (b) information requirements (regulations 3 to 6);
- (c) applications for certificates of recoverable benefits (regulation 7);
- (d) the application of the scheme to payments into court (regulation 8), multiple compensation payments (regulation 9), and structured settlements (regulation 10);
- (e) adjustment following reviews and appeals (regulation 11);
- (f) transitional provisions (regulation 12).

The total costs to business of reform of the scheme are estimated to be between £54 million and £79 million. These costs were identified by means of a Compliance Cost Assessment (CCA) published in January 1996. Copies of the CCA are available from the Department of Social Security, Branch IMB3, 6th Floor, Adelphi, 1–11 John Adam Street, London WC2 6HT.
