The Diving at Work Regulations 1997

Diving project plan

8.—(1) The diving project plan shall be based on an assessment of the risks to the health and safety of any person taking part in the diving project and shall consist of a record of the outcome of the planning carried out in accordance with regulation 6(1) including all such information and instructions as are necessary to give advice to and to regulate the behaviour of those so taking part to ensure, so far as is reasonably practicable, their health and safety.

(2) Without prejudice to the generality of paragraph (1), the diving project plan shall identify any approved code of practice giving guidance on these Regulations which will apply to the diving project.

(3) The diving project plan shall identify each diving operation which makes up the diving project and the nature and size of any diving operation so identified shall be such that it can be safely supervised by one person.
