1997 No. 3053

The Traffic Signs (Temporary Obstructions) Regulations 1997

PART II

SIGNIFICANCE OF TRAFFIC SIGNS

Flat traffic delineator and traffic cone

5. In addition to indicating the edge of a route for vehicular traffic through or past a temporary obstruction, in accordance with the 1994 Regulations, a traffic cone and a flat traffic delineator shall each convey to such traffic on a road a warning of an obstruction in the road.
