

Status: This is the original version (as it was originally made). This item of legislation is currently only available in its original format.

SCHEDULE 1

THE ROAD VEHICLE SIGN

3. The area marked B in the diagram may be coloured white, in which case it shall be reflectorised to Class 1 of British Standard BS 873 Part 6 or an equivalent standard which has been approved by a recognised standardising body in an EEA State. If the area marked B is not coloured white it shall be of the same colour as the background specified in note 4 below.
