Evidence that the named child holding the account is terminally ill has been supplied to the satisfaction of the Board.

(3) The Board shall issue a letter to the registered contact authorising withdrawals from the account under this regulation<sup>F191</sup>....

(4) Once a claim has been accepted, withdrawals of any amount (including the proceeds from a policy of life insurance and an amount sufficient to close the account) may be made by the registered contact at any time (but this does not include the transfer of a policy of life insurance otherwise than in accordance with regulation 21B).

(5) Where account investments are withdrawn in a form other than sterling currency, the named child shall be treated as having sold the account investments in question, and as having reacquired them in his personal capacity, for a consideration equal to their market value at the time of their withdrawal.

(6) In this regulation, “terminally ill” has the meaning—

- (a) [<sup>F192</sup> for England and Wales and Scotland] in section 66(2)(a) of the Social Security Contributions and Benefits Act 1992<sup>F193</sup> or section 82(4) of the Welfare Reform Act 2012 (terminal illness); or

#### <sup>F194</sup><sup>F195</sup> **Repair of certain incompatible account and excess subscriptions - accounts other than junior ISA accounts** **U.K.**

**4A.**—(1) An invalid account is “eligible for repair” if, in relation to the year in which the subscriptions to the account were made (“the relevant year”), it satisfies—

- <sup>F196</sup>(a) both the First and Second Conditions below, or
- (b) the Third Condition.

#### **First Condition**

The account is invalid because a subscription to the account causes the account investor to breach the conditions in [<sup>F197</sup>regulation 4(1B)(a)[<sup>F198</sup>, (b) or (ba)]] (which, taken together, allow an individual to subscribe to a single cash account<sup>F199</sup>, a single stocks and shares account and a single innovative finance account], in a particular year) and for no other reason.

**Second Condition**

The account is (disregarding any account exempt from tax under regulation 4B) the earliest account in the relevant year, the subscriptions to which caused the account investor to breach the conditions in [F197regulation 4(1B)(a)][F200, (b) or (b)], as the case may be (that is, it was first subscribed to earlier in that year than any other such account).

**Third Condition**

The account is invalid because a subscription to the account breaches the overall subscription limit in [F201regulation [F2024ZA(1)]], and for no other reason.]

(2) In this regulation—

- (a) where an account investor subscribes to a particular account in more than one year, each year’s subscriptions shall be treated as a separate account for the purposes of this regulation, and regulation 4B (except for determining when an account is closed) only;
- (b) “date of discovery” means the date on which an officer of the Board gives a notice (“notice of discovery”) to the account manager or account investor that the account is invalid, and (if appropriate) directions under paragraph (5) below;

<sup>F203</sup>(c) .....

- (d) “valid account” means an account which (apart from under this regulation) is exempt from tax under regulation 22(I);
- (e) “invalid account” means a scheme of investment which is not exempt from tax under these Regulations but which (if so exempt) would be an account, within the meaning in [F204regulation 4(1A)(a)] and, in relation to an invalid account, references to an account [F205and component] have corresponding meanings; and
- (f) (for the avoidance of doubt) “repair” of an account is without prejudice to loss of, and accounting to the Board for, any relief from tax given for the period up to the date of discovery.

(3) An invalid account which is eligible for repair shall be treated as—

- (a) exempt from tax under this regulation (as if under regulation 22), and
- (b) complying with the conditions of regulation [F206regulation 4(1B)(a)][F207, (b) or (b)], or 4ZA(1) [F208... ], as the case may be,

as from the date of discovery, to the extent of the relevant proportion mentioned in paragraph (4)(b).

[F209(a) (4) [F209(a) Calculate the extent to which the subscriptions made (and counting towards the subscription [F210limit]) during the relevant year—

- (i) to that account, any other account which is eligible for repair, and any valid account (but ignoring subscriptions to any closed account within the meaning in regulation 4B)) do not exceed,
- (ii) the subscriptions [F211limit] in [F212regulation 4ZA(1)][F213... , and]

(b) an officer of the Board shall apportion that result between the accounts mentioned in subparagraph (a)(i), and the amount apportioned to the account mentioned in paragraph (3) is the relevant proportion.

(5) The account manager must comply within 30 days with any directions in the notice of discovery which—

- (a) make the apportionment under paragraph (4)(b) and identify the account and component from which excess subscriptions or allocations (if any) are to be removed;
- (b) direct the removal of subscriptions and proceeds representing them from an account; or

*Status: Point in time view as at 31/12/2020.*

*Changes to legislation: There are currently no known outstanding effects for the The Individual Savings Account Regulations 1998. (See end of Document for details)*

(c) direct the removal of subscriptions and proceeds representing them from a component.

(2) Sections 104 to 114 of the Taxation of Chargeable Gains Act 1992 <sup>M16</sup> shall apply for the purposes of pooling and identifying account investments as if—

(i) in the case of securities acquired by that person in accordance with the provisions of a savings-related share option scheme, which were transferred in the circumstances specified in regulation <sup>F735</sup>7(2)(h)(i) and (10)(a), from the date of their acquisition by him, or

(ii) in the case of securities appropriated to that person in accordance with the provisions of an approved profit sharing scheme, which were transferred in the circumstances specified in regulation <sup>F736</sup>7(2)(h)(ii) and (10)(b), from the date when he directed the trustees to transfer the ownership of the securities to him or, if earlier, the release date in relation to those securities, <sup>F737</sup>or

#### Interpretation U.K.

1.—(1) In this Schedule—

“claim period” has the meaning given in sub-paragraphs (2) and (3);

“government bonus” is an amount equal to 25% of the aggregate of qualifying additions made to a Lifetime ISA in a relevant period;

“qualifying addition” means a current year payment or a payment under regulation 10A (4)(c) which is made into a Lifetime ISA;

“relevant period” means the year 2017-2018 and any subsequent year;

“Schedule 1” means Schedule 1 to the Savings (Government Contributions) Act 2017;

“withdrawal charge” has the meaning given in paragraph 9(4) of Schedule 1.

(2) “Claim period” means—

(a) for the year 2017-18, except where sub-paragraph (3) applies, that year, and

(b) for the year 2018-19 and subsequent years, a month,

or such period as the Board may specify from time to time pursuant to paragraph 2(1).

(3) Where an account manager during the year 2017-18 is notified of a death or determination in accordance with paragraph 4(2) of a terminal illness of an account investor, “claim period” means—

(a) the period beginning with the date of the opening of the account, or, where there has been a transfer, the date of the original opening of the transferred account, and ending at the end of the month in which such notification is received, and

(b) in the case of a continuing terminal illness of the account investor, each month subsequent to the period determined under sub-paragraph (a), in which a qualifying addition has been made to the account.

(4) For the purposes of sub-paragraphs (2) and (3) “month” is a period beginning on the 6th of one month and ending on the 5th of the following month.

#### Government bonus claim U.K.

2.—(1) The Board may from time to time specify—

(a) the information to be included in a claim for a government bonus;

(b) the periods to which such a claim is to relate; and

(c) the form or manner in which such a claim is to be made.

(2) A government bonus is only payable if a claim for it is made in accordance with this Schedule.

(3) The person who must make a claim for a government bonus for qualifying additions made to the Lifetime ISA in a claim period is—

*Status: Point in time view as at 31/12/2020.*

  - (b) anything which should not have been included in the claim has been included, or
  - (c) any other error has occurred in the claim,

- (8) If the account manager corrects a claim, such assessments, adjustments, payments or repayments of government bonus as are necessary for achieving the objective mentioned in sub-paragraph (9) must be made.
- (9) The objective is that the entitlement (or otherwise) of the account investor to a government bonus should be the same as it would have been if a correct claim had been delivered.

- (a) they have reasonable grounds for believing that an error has occurred in the claim, and
  - (b) they give notice to the account manager of their intention to do so no later than 12 months after the date on which the claim is made.
