

SCHEDULE 1

RSC ORDER 112

APPLICATIONS FOR USE OF BLOOD TESTS IN DETERMINING PATERNITY

Application for direction

Rule 2.—(1) Except with the permission of the court, an application in any proceedings for a direction shall be in accordance with CPR Part 23 and a copy of the application notice shall be served on every party to the proceedings (other than the applicant) and on any other person from whom the direction involves the taking of blood samples.

(3) Any notice required by this rule to be served on a person who is not a party to the proceedings shall be served on him personally.
