Issue of vouchers by ophthalmic medical practitioners and opticians

9.—(1) An ophthalmic medical practitioner or optician who, following a testing of sight under the Ophthalmic Services Regulations, issues a prescription for an optical appliance to a patient—

- (a) who has indicated that he is an eligible person; or
- (b) who (whether or not he has so indicated) is issued with a prescription for a complex appliance,

shall, in the circumstances described in paragraph (3) but subject to paragraph (4), issue to the patient a voucher relating to the optical appliance prescribed on the same occasion as he issues the prescription in accordance with paragraph 10(3) of Schedule 1 to the Ophthalmic Services Regulations.

[^{F28}(1A) Where—

- (a) a patient has been supplied with an optical appliance following a testing of sight under the Ophthalmic Services Regulations or otherwise;
- (b) the patient has indicated that he is an eligible person; and
- (c) the ophthalmic medical practitioner or optician, having consulted any records which he has relating to the patient and having made such enquiry of the patient as he considers relevant, is satisfied that—
 - (i) the prescription relating to the patient's existing optical appliance is unchanged; and
 - (ii) the patient requires a new optical appliance because his existing appliance has been rendered unserviceable by fair wear and tear,

the ophthalmic medical practitioner or optician may issue to the patient, in accordance with paragraph (2), a voucher relating to the optical appliance prescribed by the prescription.

(1B) Where—

- (a) a patient has been issued with a prescription following a testing of sight under the Ophthalmic Services Regulations or otherwise;
- (b) the patient has indicated that, following the issue of the prescription, he has become an eligible person; and
- (c) an ophthalmic medical practitioner or optician, having consulted any records which he has relating to the patient and having made such enquiry of the patient as he considers relevant, is satisfied that—
 - (i) no voucher has been issued in respect of the prescription; and
 - (ii) the prescription is unchanged,

the ophthalmic medical practitioner or optician may issue to the patient a voucher relating to the optical appliance prescribed by the prescription.]

(2) The ophthalmic medical practitioner or optician issuing the voucher shall sign it and shall—

- (a) mark on it the letter code specified in column 2 of Schedule 1 which relates to the type of optical appliance prescribed as set out in column 1 of that Schedule; and
- (b) duly complete the relevant parts of the voucher with the name and address of the patient, the patient's date of birth, particulars of the prescription issued to the patient, the date on which the patient's sight was tested and the date of issue of the voucher.

(3) The circumstances referred to in paragraph (1) are where the ophthalmic medical practitioner or optician, having consulted any records which he has relating to the patient and made such enquiry of the patient as he considers relevant, is satisfied that—

- (a) the patient requires an optical appliance for the first time or an optical appliance pursuant to a prescription the particulars of which differ from those relating to his existing appliance; or
- (b) the patient requires an optical appliance because his existing optical appliance has been rendered unserviceable by fair wear and tear.

(4) Where a patient requires an optical appliance pursuant to a prescription the particulars of which differ from those relating to his existing appliance only because the patient is non-tolerant of that appliance, and has been so since it was supplied to him, no voucher shall be issued unless the [^{F29}Agency] being satisfied that the prescription for that existing appliance was clinically correct, has authorised the issue of a voucher.

(5) Unless [^{F30}paragraph (1A) or] regulation 11 applies, not more than one voucher shall be issued to a patient in respect of any one optical appliance prescribed.

20.—(1) A payment may be made under this regulation to a person of a description specified by regulation 8(2) or 15(1) who pays for the supply, replacement or repair of an optical appliance without exercising his right under regulation 9(1), 10(1) or 15(1) to a payment to meet or contribute towards the cost incurred for the supply, replacement or repair of such optical appliance.

(2) A patient who wishes to receive a payment under this regulation must—

- (a) make a claim to the Secretary of State if he considers that he falls within the description specified in regulation 8(2)(c) or (d); or
- (b) in all other cases, make a claim to the responsible authority.

(3) [^{F49}Subject to paragraph (3A),] any such claim must be made within three months after the date of [^{F50}payment for] the supply, replacement or repair of the optical appliance, or within such further period as the Secretary of State or the responsible authority may for good cause allow, and that claim must be made on a form provided by or on behalf of the Secretary of State or the responsible authority for that purpose.

[^{F51}(3A) Where a patient pays by instalments for the supply, replacement or repair of an optical appliance, any claim he makes under paragraph (2)(a) or (b) must be made within three months after the date of payment of the first instalment.]

(4) It is a further condition of entitlement to a payment under paragraph (1) that the patient produces in support of his claim such evidence as the Secretary of State or the responsible authority may reasonably require including the receipt for any fee paid for the supply, replacement or repair.

(5) [^{F52}Subject to paragraph (7),] where the Secretary of State is satisfied that the patient is entitled to a payment as a result of a claim under paragraph (2)(a), he shall authorise in writing the payment of the amount in question to the patient by the responsible authority and, on receipt of such authorisation, the responsible authority shall make a payment to the patient of an amount equal to the redemption value of the voucher which could have been completed under regulation 9, 10 or 16 if the patient had satisfied the requirements of regulation 9(1), 10(1) or 16(4), as the case may be.

Status: Point in time view as at 01/04/2002.

Changes to legislation: There are currently no known outstanding effects for the The National Health Service (Optical Charges and Payments) (Scotland) Regulations 1998. (See end of Document for details)

(6) [^{F53}Subject to paragraph (7),] where the responsible authority is satisfied that the patient is entitled to a payment of a claim under paragraph (2)(b), it shall make a payment to the patient of an amount equal to the redemption value of the voucher which could have been completed under regulation 9, 10, or 16 if the patient had satisfied the requirements of regulation 9(1), 10(1) or 16(4), as the case may be.

[^{F54}(7) Where the responsible authority makes a payment under paragraph (5) or (6) to a patient who pays by instalments for the supply, replacement or repair of an optical appliance, that payment shall be made as soon as reasonably practicable after the date on which the total value of the instalments paid becomes equal to or greater than the redemption value of the voucher which could have been completed under regulation 9, 10 or 16 if the patient had satisfied the requirements of regulation 9(1), 10(1) or 16(4), as the case may be.]

EXPLANATORY NOTE

(This note is not part of the Regulations)

These Regulations consolidate with amendments the National Health Service (Optical Charges and Payments) (Scotland) Regulations 1989 (“the 1989 Regulations”) which provide a scheme for payments to be made by Health Boards and NHS trusts by means of a voucher system, in respect of costs incurred by certain categories of persons in connection with sight tests and the supply, replacement and repair of optical appliances.

The 1989 Regulations and all subsequent amendments to them are revoked by regulation 23 and Schedule 4. The Regulations, contained in the instruments referred to in Schedule 4, which amended Regulations other than the 1989 Regulations remain in force.

The amendments made to the 1989 Regulations are as follows:–

Amendments to update references to various enactments including, in particular, references to the Opticians Act 1958 (which has been replaced by the Opticians Act 1989); and references to the Social Security Act 1986 (which has now been replaced, in part, by the Social Security Contributions and Benefits Act 1992).

British Standard 3521/91, referred to in regulation 1(2) of these Regulations, may be obtained from the British Standards Institution at 389 Chiswick High Road, London, W4 4AL.

The Regulations also incorporate increases in voucher values for the supply, repair and replacement of optical appliances.

Regulation 19 (redemption value of voucher for replacement or repair) increases the value of an optical voucher issued towards the cost of replacing a single contact lens, and to increase the maximum contribution by way of voucher to the cost of repairing a frame.

Schedule 1 increases the value of vouchers issued towards the cost of the supply and replacement of glasses and contact lenses.

Schedule 2 increases the value of vouchers issued towards the cost of the repair and replacement of optical appliances.

Schedule 3 increases the additional value for vouchers for prisms, tints, photochromic lenses and special categories of appliances.

The rate of increase is, on average, approximately 2.8%.
