

## SCHEDULE 4

### HYGIENE CONDITIONS FOR FISHING VESSELS (BASED ON THE CORRESPONDING PROVISIONS OF THE ANNEXES TO THE FISHING VESSELS DIRECTIVE)

#### PART II

##### *Additional hygiene conditions applicable to article 1.2 fishing vessels*

1. Fishing vessels must be equipped with holds, tanks or containers for the storage of refrigerated or frozen fishery products at the temperature laid down by these Regulations. These holds shall be separated from the machinery space and the quarters reserved for the crew by partitions which are sufficiently impervious to prevent any contamination of the stored fishery products.
