

## SCHEDULE 4

### (Annex III to the Pressure Equipment Directive) CONFORMITY ASSESSMENT PROCEDURES

#### **Module E (product quality assurance)**

**1.** This module describes the procedure whereby the manufacturer who satisfies the obligations of section 2 ensures and declares that the pressure equipment is in conformity with the type as described in the EC type-examination certificate and satisfies the requirements of the Directive which apply to it. The manufacturer, or his authorised representative established within the Community, must affix the CE marking to each product and draw up a written declaration of conformity. The CE marking must be accompanied by the identification number of the notified body responsible for surveillance as specified in section 4.
